Meter Move Protested

A formal protest against the proposed installation of 71 parking meters on Fifth and Sixth streets near Santa Clara street will be made tonight by college students at the meeting of the San Jose city council, according to Jerry Ball in charge of petitions protesting the meters.

At least 2000 names are expected to be on the petitions when they are presented to the council tonight, Ball said. Several hundred signatures were obtained Thursday and Friday. Students wishing to sign petitions may do so today in the Library arch and at the entrances to the gym.

"We also hope to make some progress toward the elimination of the all-night parking ban in the areas around the school by suggesting that a committee of students work with representatives of the city on the problem," Ball said.

Dean of Men Stanley Benz attended two meetings of persons interested in the parking problem following the request of merchants in the vicinity for meters.

The meetings were conducted by City Traffic Analyst Arthur B. Philpott. Following a complete survey of the situation, Philpott suggested that 17 meters be placed on South Fifth, 39 on North Fifth, 11 on South Sixth, and four on North Sixth.

Dean Benz, representing the school, stated he felt that it was a fair solution to the problem in view of the survey, which showed that business in the area was being hurt.

Other administrators generally seemed to favor the students' petition, or at least offered no objection to the action being taken.

Fall Quarter Sees Many New Faculty

Thirty-four new members were added to the administrative staff and faculty for the opening of fall quarter.

Returning from leave are Miss Violet Thomas of the music department and Robert R. Coleman of the art department.

New additions include Dr. Fred F. Harclerod, dean of instruction; John H. Amos, director of buildings and grounds; Miss Dorothy E. Beegle and John P. Hofer, business; Mrs. Helen A. Dooley, education; Dr. Allen N. Smith, engineering; James D. Warnock, English.

Mrs. Mary Morgan, home economics; Mrs. Charlotte Angel, health and hygiene; Mrs. Patricia

• Additions to the faculty were introduced by their division heads Saturday at the first faculty meeting of the quarter.

• Musical entertainment was provided by Miss Maurine Thompson, assistant professor of music, accompanied by William Erlendson, assistant professor of music.

• Puziene, Gordon Maetin, Paul Crawford, Hubert Hall and Carl Johnson, library; John L. Marks, mathematics; Donald E. Homuth, music.

• Loren T. Cockrell and Henry W. Robinson, natural science; H. Eugene Menges, H. Hugh Mumby and Dr. Janice Carlin, physical education; Bart L. Collins, police; Dr. James M. Sawrey, psychology.

• Lyman S. Barrett, Rollin E. Buckman, Robert I. Guy and Mrs. Noreen Mitchell, speech and drama; Capt. William E. Van Buskirk, First Lt. Ralph E. Dillard, Master Sgt. Paul Frampton and Master Sgt. Boyd C. Howard, military science and tactics; Col. Richards M. Bristol and Master Sgt. Harvey Fannin, air science and tactics.

Spartan Daily

San Jose State College

Vol. 41 STATE SAN JOSE, CALIFORNIA, MONDAY, SEPTEMBER 22, 1952 No. 1

—photo by Bob Rafloski
THE LARGEST SJS Freshman camp ever, comprising 479 new students, 41 counselors, and 25 faculty members swelled the feed line to the dining hall at Asilomar-by-the-Sea.

Frosh Swell Seventh Camp

The largest Freshman camp ever, 479 students, swelled the facilities at Asilomar to be on hand for the three-day orientation program, September 13-15, according to Ingrid Andersson, camp director.

This is the seventh consecutive year that the camp has been run as a co-ed function and it was by far the largest Miss Andersson said. The program was originally inaugurated by the Student Y, but is now run by the Associated Student Body.

Newly-appointed president, Dr. John T. Wahlquist ate with the campers at the Sunday dinner and was serenaded by the 41 counselors. As the president mentioned later, this was the first time he heard the college hymn, Hail Spartans, Hail.

Grads See Ouellette

December graduates who have not completed the alcohol, narcotics and safety requirements set forth by the state should contact Dr. Vernon A. Ouellette immediately in Room 100.

"This applies only to December graduates," Dr. Ouellette said.

Girls Dorm Burns

Smoke and heat from a smoldering mattress caused an estimated \$75 damages at the Twin Harts apartments, 67 Fifth street, according to Mrs. A. H. Hartman, operator of the apartments for girl students.

A lighted cigaret was apparently left on the mattress when the girls in the apartment left for the movies.

New Rushing Rules Set by Fraternities

A new rushing policy has been inaugurated by the Inter-Fraternity council requiring all men to sign for Fall quarter rushing if they wish to attend rush functions, according to Dave Woods, IFC publicity chairman.

"No man can be pledged unless he is on the official rushing list," Woods said. An IFC booth will be in the Library arch today and tomorrow to facilitate the sign-up. Rushing cards may be filled out in the Dean of Men's office, Room 114, beginning Wednesday and continuing to Friday noon, he added.

The various fraternities will hold open house for three days, starting tomorrow, Theta Xi, 1955 The Alameda, and Alpha Tau Omega, 1600 The Alameda, will hold open house Tuesday. The rest of the schedule will be announced Wednesday.

Dr. Stanley C. Benz, dean of men, referred to the new policy

Greetings...

Although my tenure in office has been brief, enough has happened to confirm my earlier conviction that San Jose State college is a unique institution. An overwhelming wave of friendliness is felt everywhere on campus.

The faculty members are genuinely devoted to their calling and have the best interests of the students at heart. The administrative officials have been most helpful to me, and, I know, will be to the students. The curricular offerings are surprisingly many and varied.

The buildings and campus do not appear at the best just now, but the upset condition augurs well for the future. In time, the oldest, largest and best of the state colleges will have the buildings and beauty to sustain its reputation. Before spring rolls around we hope to have a truly beautiful campus.

With such an atmosphere it is a pleasure to greet you officially. I know you will feel welcome. If you have problems, state them to the nearest person—student, faculty member, administrator. We're all here to make your stay happy and profitable.

Enjoy the extra-curricular activities within reason, but always remember why you are here and why the State has poured millions of dollars into the State college system.

John T. Wahlquist.

as "the best step forward in years." He emphasized that signing cards does not commit a student in any way.

West Sees ASB Jump

A rise of 750 in the amount of registered students over the number listed with the Registrar's office at the beginning of fall quarter, 1951 is predicted by Joe H. West, dean of students.

Dean West estimated that the amount of registration booklets turned in by deadline time tomorrow would reach a total of 6950. Registration last fall reached a figure of approximately 6200.

If registration reaches the expected figure it will mark a rise of 1000 students over the amount registered for spring quarter.

In spring quarter, the student body dropped to 5806 after a registration of 5900 was predicted by the Registrar's office.

The following are the schedule changes for autumn quarter, as released by C. W. Quinley Jr., acting registrar.

ART: Cancelled: 8:30—Art 23A in A22 on TTh, Stanley. (3), 8:30-11:20 Art 151A in A7 on TTh, Mottram. (2). Change: 11:30 Art 15 in A23 on TTh to MW Oback. (2). 3:30-5:20 Art 136 (Lab.) in A5 daily. Hammond will teach insted of Di-vincenzi.

EDUCATION: Change: 9:30 Ed. 105 from Rm. 155 to Rm. 153 daily. Crumby. (5).

JOURNALISM: Change: 8:30 Journ. 134 from Rm. 2 to Rm. 10, 306 So. Fifth MWF Gould. (3).

NURSING EDUCATION: Change: 1:30 NE54 from B92 to B74 on MWF, Lindstrom. (3).

Change: 7:30 a.m. NE128 in B74 on T, Davis. (2). Moved to 7:30 p.m.

NATURAL SCIENCE: Change: 4:30 Chem. 285 from S112 to S210 on T, Castro. (1).

PSYCHOLOGY: Change: 11:30 Psych. 10A in T206 on T, Cooper. (1). Moved to 12:30.

SPEECH: Change: 9:30 Sp. 282, 382 moved from Rm. 153 to Rm. 155 daily, Murray. (3-5).

DRAMA: Add: 1:30 Drama 29-A-129A will be held in Rm. 153 on TTh MacKenzie.

SOCIAL SCIENCE: Change: 1:30 Poly. Sci. 112A in B25 will be held from 1:30-2:45 on TTh insted of on MWF, Campbell. (3).

ENGINEERING: Change: 7:10 p.m. Aero 170A (staff) in B12 on MWF, Rymer. (3). Changed to 7:10 p.m. on TTh.

Cafeteria and Library Open

The college cafeteria opens its doors today at 11:30 a.m., and the six departments of the Library will be open from 8 a.m. to 5 p.m. today and tomorrow for student and faculty inspection.

According to Mrs. Fern Wendt, cafeteria manager, lunches will be served from 11:30 to 1 p.m. Monday through Friday. The cafeteria is located on the first floor of the Home Economics building.

The six departments of the Library, under their individual heads and Miss Joyce Backus, chief librarian, will offer displays in old education techniques, photography, music, synthetics and maps.

Four new additions have also been added to the Library staff, Miss Backus added.

King To Play at Reg Dance Tonight

The annual fall quarter registration dance will be held tonight in the civic auditorium from 9 o'clock until 12 o'clock for all students and faculty members. Buddy King's band will supply the music for the affair. Admission is free to all State students.

A reception will be held in Room B in the civic auditorium for the San Jose State college faculty from 9 p.m. to 10 p.m.

The dance is sponsored by the Social Affairs committee, under the chairmanship of Marilyn Lind.

An Able Man For a Tough Job

Students and faculty members returning for the fall quarter today enter the college portals at the start of a new era in Spartan history.

After 25 years of productivity as president, Dr. T. W. MacQuarrie retired August 1 and the former Dean of the College of Education at the University of Utah, Dr. John T. Wahlquist, took over the reins as the chief executive.

Dr. Wahlquist has the difficult position of merging successfully the old traditions of the present campus with the new look of the modern campus, now being constructed east of South Seventh street.

We believe that the new chief executive will manage Sparta's affairs with the same outstanding efficiency he used in conducting the educational job at the Utah institution.

In behalf of the Spartan Daily staff and the entire student body we wish to welcome Dr. Wahlquist to the campus and wish him the greatest success in his new post.

A Kudo from the Editor

Journalism and non-journalism majors donated their free time last week to aid in putting out the Spartan Daily registration issue.

With the capable professional help of these "volunteers", the editors of the fall-quarter publication had an easier job of organizing the campus news and presenting it in a manner that will prove worthwhile today to the student body and faculty.

We sincerely appreciate the assistance given by these "volunteer" students and only can hope that the editor of the next registration issue will be as fortunate as to have a crew as talented and ready to go to work.

A "Fair Shake" on Parking

For the last few years the parking situation around the campus has been a sore spot and an acute problem. When the students at San Jose high school moved to their new building at the end of June the college acquired additional space on S. San Fernando street.

The City of San Jose has thrown this gain for a loss, however, by proposing to install parking meters on Fifth and Sixth street, north and south of Santa Clara street. These meters would be placed in an area that long has been used to park student vehicles.

Merchants of the city claim they need the space for cash customers. It must be remembered, however, that the students do a large portion of their buying in this metropolitan center. So do persons running boarding houses for these students.

We realize that the merchants' claim is a valid one. What is a fair solution then?

The City Council must decide that tonight. We would like to suggest that our city fathers consider the campus' plea, the lengthy petitions, and give the students "a fair shake!"

Campus Faces Annual Sold At Tighi Housing Registration

This has been the worst year for housing since the veterans began returning to campus in 1947. Mrs. Lucita Pritchard, housing supervisor, complained this week.

Except for miscellaneous housing several blocks from the campus every boarding house, rented room and apartment in the college fringe area is filled, she explained.

An SO's sent out to home owners in August brought in a scattering of offers of homes for three and four girls.

Practically every house on the college housing list was filled when the spring quarter ended, Mrs. Pritchard said.

Seniors say sign up for their La Torre photographs today and tomorrow at a booth outside the Men's gym, according to Carole Simmons, co-editor of the student annual.

Students who purchase their copy of the yearbook during fall quarter may have their name printed in gold on the cover. Price of the personalized book is \$5.50. The book alone sells for \$5.

Books may be paid for in the Graduate Manager's office, at a registration booth or to any member of the La Torre staff.

I.A. Requires Driver Educ. Says Setzin

Two courses formerly offered only during summer session will be available—and required for some students—throughout the three quarters of the 1952-53 school year, reports Dr. Heber A. Setzin, chairman of the division of applied arts.

Driver education and safety education, to be given in the industrial arts department, will be required, respectively, for teacher-training majors and those who later intend to teach driving in secondary schools.

A driver's license will be required of all those taking the driving course, which will be taught by Robert P. Johnson, instructor in industrial arts.

Offer Course

A new three-unit course, combining the fundamentals requirements for special secondary degrees, will be offered daily at 12:30 o'clock in Room 121, according to Dr. E. W. Atkinson, chairman of the Business division.

Included in this experimental course, Business 54, are the fundamentals of reading, penmanship, spelling, arithmetic, geography and grammar. If the student passes this one course all further requirements in these fundamentals are waived, Dr. Atkinson said.

Aero 1 Open to All Physicals Needed By New Students

In response to interest shown by students in departments other than engineering, Introduction to Aeronautics, Aero 1, will be offered to all students this quarter for the first time, according to Thomas E. Leonard, assistant professor of aeronautics.

The course, which will include several field trips and outside speakers, is offered at 10:30 a.m. Tuesday and Thursday.

All new students who have not taken their physical examination are requested to make an appointment with representatives from the health office in the registration line before turning in their reg booklets, according to the health office secretary.

State Tryouts for Two Little Theater Dramas

Tryouts for the Speech and Drama department's fall productions, "Importance of Being Earnest" by Oscar Wilde, and "Antony and Cleopatra" by William Shakespeare, will be held Sept. 23 and 24 at 3:30 p.m. in the Little Theater.

The entire cast of the Wilde play, the first production of the quarter, will be selected during the two day tryout period. Rehearsals will begin on Friday.

Leading roles for "Antony and Cleopatra" also will be cast, so that the main characters may begin studying the Shakespeare lines. Dr. Hugh Gillis, head of the Speech and Drama department, said.

Dr. Gillis urged all interested students to attend the tryouts, since both plays are big-cast shows and offer a wide variety of roles for both men and women. Men are particularly needed for the Shakespeare play.

The only qualification is that students be fully registered at the college.

"They do not have to be speech or drama majors," he pointed out.

No preparation is necessary prior to the tryouts. Students will be given material to read at the Little Theater.

We would prefer that they come on Tuesday afternoon, so they may come back on Wednesday for a re-reading, Dr. Gillis said. However, equal opportunities will be given everyone on either afternoon.

John R. Kerr, associate professor of drama, will direct the Wilde comedy, which begins its ten day run on Oct. 31.

The Shakespeare tragedy, under the direction of Miss Elizabeth A. Loeffler, assistant professor of drama, will open on Dec. 5.

Further information may be obtained at the Speech office, Room 57.

College Promotes Thirty-seven Faculty Members

Promotions in rank have been received by 37 members of the college faculty, according to Miss Muriel Clark, secretary to Dr. John T. Wahlquist, president of the college.

Advancements from associate professor to the rank of professor were received by 16 instructors. Seven were promoted from assistant professor to associate professor, and 14 faculty members were raised from instructor to assistant professor.

Associate to Professor

Promoted from associate professor to professor are:

Lillian E. Billington, education; Joseph B. Cooper, psychology; Richard H. C. Dieckman, mathematics; Harry N. Fitch, psychology; Edith G. Germane, psychology; Lillian Gray, education; Henry C. Meckel, education; James P. Heath, zoology; Benjamin F. Naylor, chemistry; William R. Rogers, education; Herbert H. Sanders, art; Willard E. Schmidt, police; Hildegard L. Spreen, physical education; Wilbur H. Swanson, bacteriology; S. Brooks Walton, engineering, and Arthur L. Williams, chemistry.

Assistant to Associate

Promoted from assistant professor to associate professor:

Milton C. Lanyon, art; Ruth McKenzie, speech; Walter McPherson, physical education; Bernice E. Prisk, speech; Edward P. Shaw, economics; Richard G. Tansey, art; and William O. Zoller, English.

Promoted from instructor to assistant professor:

James M. Craig, biology; H. Paul Ecker, economics; Gervais W. Ford, education; Ardith B. Frost, physical education; Benjamin F. Gilbert, history; Rizpah M. Lindstrom, nursing education; Pauline McMaster, zoology; John Mottram, art; Wesley E. Overton, commerce; Rocco G. Pisano, biology; Robert Schuck, chemistry; W.

SPARTAN DAILY 3
Monday, Sept. 22, 1952

Look for Mail In Union Boxes

Students are requested to check the college mail boxes in the Student Union at least once a week, said Mrs. Betty Street of the college's telephone office.

"Although students do not expect mail," she explained, "a large number of letters have to be returned to the senders because students fail to call for them."

Mrs. Street pointed out also that students who lose articles on the campus should check immediately with the lost and found section located in the telephone office.

Numerous articles recovered during the spring quarter are at the office and should be claimed as soon as possible, she said.

Dean Takes Post

Dr. Raymond M. Mosher, dean of educational services, was appointed acting head of the Fine Arts division of the college recently, temporarily filling the vacancy created by the resignation last spring of Dr. Hugh W. Gillis, former head of the department. The Fine Arts division includes the college's music, art and speed and drama departments.

Wayne Sorensen, music; James W. Tilden, entomology, and Gladys L. Vogelmann, art.

Theta Xi Top Fraternity on Scholastic List

A scholastic average of 1.5443 at the end of spring quarter placed Theta Xi, social fraternity, at the top of the fraternity scholastic list, according to Dr. Stanley Benz, dean of men.

Total average for the 644 active fraternity members was 1.5014 with the 122 pledges recording an average of 1.3307.

The all-college average for the year was recorded at 1.60 with the women obtaining an average of 1.65 and the men 1.56.

Alpha Tau Omega with a total average of 1.5152 came in second followed by Theta Chi, 1.5005; Pi Kappa Alpha, 1.4947; Kappa Tau, 1.4918; Delta Sigma Phi, 1.4914; Sigma Chi, 1.4883; Sigma Pi, 1.4739; Delta Upsilon, 1.4601; Lambda Chi Alpha, 1.4529; Kappa Alpha, 1.4292; Sigma Nu, 1.3935; Sigma Alpha Epsilon, 1.3673; Phi Sigma Kappa, 1.3483.

Prof Gets Rank

Dr. Herman F. Jamison, associate professor of mathematics, was notified during the summer of his appointment by President Truman as commander, U.S. Naval Reserve. The appointment was made May 29.

Dr. Jamison received his doctorate at the University of Pittsburgh and has been a member of the San Jose State faculty since 1946. From 1943 to 1946 he was on active duty with the Navy.

Korea Vets Must Carry Minimum of 14 Units

Veterans training under the Korean GI Bill will be allowed to change their objective only once, and at least 14 units must be carried to receive full subsistence from the government, the Veterans Administration announced.

Urging careful planning, the VA advised veterans who are not sure about their goal or about the type of training they need to reach it, to talk over their problems with school advisors.

Limitations On Parking Set

Parking restrictions on college-owned property were announced Friday by Dean of Men Stanley C. Benz and Supervisor of Buildings and Construction Byron J. Bollinger.

No parking is allowed in the Student Union driveway, Spartan shop driveways, Natural Science driveway, rear of the Industrial Arts building, and rear of the boiler room.

In addition, cars are not to be parked in the yards and driveways of the following addresses: 306 So. Fifth street; 180, 190, 192, 194, 196, 200, 210, 272 and 278 So. Seventh street; 230, 240, 244, 246, 254, 258, 260, 274, and 282 So. Eighth street; and 205 and 209 So. Ninth street.

"I feel that students have been most co-operative in this matter in the past and hope that we get their continued co-operation," Dean Benz said.

Sotzin Announces New A.A. Course

Dr. Heber A. Sotzin, chairman of the applied arts division, has announced a new course, titled "Everyday Mechanics." It will be offered for those who wish to learn how to use tools and do household repairing. Course time will be from 9:30 to 11:20 a.m. on Tuesdays and Thursdays.

A veteran will not need the VA's approval if he makes his single change of course before his deadline for starting training under the new GI Bill.

However, if his progress was unsatisfactory, he will have to show VA that it was not because of his own misconduct, neglect or lack of application.

If he wants to change courses after his deadline, and has never made a change before, he will need VA's approval.

The deadline for starting for a veteran discharged from service before Aug. 20, 1952 is Aug. 20, 1954.

Training under the Korean GI Bill is available to veterans who served, any place in the world, after the outbreak of fighting in Korea, on June 27, 1950.

They must have a discharge or release under conditions other than dishonorable. They must have had at least 90 days total service, unless discharged sooner because of a service-connected disability.

Ask Students To Report to Office

The Graduate Manager's office has requested that the following persons come to Room 16: A. W. S. treasurer, George Pizante, James E. Taylor, Albert Maier, Nancy Appleby, Alvin Anderson, Don Bender, Delise Fiorini, Robert Hussey, Felix Perkov, John Pryor, Pascual Valencia, John Wathen, Ruth Williams, Thomas Manning and James Wagner.

Suffield To Teach Insurance Courses In Evening Session

Business men and women will have the opportunity this quarter to take two new courses in property and casualty insurance, 141A and 141B.

The course numbered 141A will be given from 7 to 10 p.m. on Tuesdays and 141B will be offered on Thursdays. Both will be taught by Dr. Charles L. Suffield, professor of business. Each carries three quarter units of college credit.

Either class may be taken in any sequence or students may enroll for both classes. Special students may register at the first class meeting to be held in Rm. 139 of the Commerce wing of the Administration building.

Korean Veterans Must Provide Own Money for First Two School Months

Veterans who plan to go to school under the Korean GI Bill are advised by the Veterans Administration to provide enough money of their own to tide them over for about two months.

Under the new law education and training allowances can not

be paid until sometime after a veteran actually completes each month of training.

At the end of each month, the law also requires that both the veteran and his school submit a certification to VA verifying the veteran's enrollment during that period.

WELCOME BACK GANG!

Also to the new students who are not familiar with our store—we extend a hearty welcome. Drop in, browse around—look over our stack of Esquire mags. In other words make yourself at home. Instructors Are United in Marriage In Ceremony at Campus Chapel

—photo by Raffoski

PICTURED ABOVE are Mr. and Mrs. Rocco G. Pisano (Jan Eloise Hagerty.) The young couple, both biology instructors at State, were married this summer in the campus chapel. They returned from a Northern California honeymoon to their teaching positions at the college. The newly married couple were honored Sunday at a reception at the Hotel St. Claire.

San Jose State College's newly completed chapel furnished the setting for the wedding of Jan Eloise Hagerty and Rocco G. Pisano, both San Jose State biology instructors. The Rev. Stephen C. Peabody of the First Congregational church officiated at the late summer ceremony. The altar of the chapel was appointed with white and orchid asters.

The new Mrs. Pisano was given in marriage by her grandfather, David C. Sears of Sacramento. She was attired in a gray flannel suit complemented with a white hat and gray accessories.

She carried a white Bible, a gift of her grandparents, marked with a white orchid. Serving as matron of honor was Mrs. Joe Bera. She wore a purple faille suit and matching accessories. She carried a French bouquet of white bouvardia and orange blossoms.

Nick Pisano served as best man. Ushering the guests were Anthony E. Pisano and Joe Bera.

Frank Pisano sang wedding selections accompanied by Miss Virginia Bowe.

Mrs. Ollie S. Hagerty, mother of the bride, chose a beige suit with contrasting accessories. Mrs. Marianna Pisano, mother of the benedict, selected a floral silk dress. Both mothers pinned on orchid corsages.

The beautifully simple wedding ceremony was attended by immediate family members. Following the ceremony, the entire wedding party attended a four course

brunch at Lou's Village. Decor for the party, given by Mrs. Marianna Pisano, was gold and white.

The newly married couple cut a gold and white cake before departing for their Northern California wedding tour.

The new Mrs. Pisano is the daughter of Mrs. Ollie S. Hagerty of San Jose and the late Robert B. Hagerty. She received her AB from San Jose State college and her Masters Degree from Stanford university. She is affiliated with Alpha Omicron Pi sorority and Black Masque. She now serves as adviser to the Black Masque society on campus.

Professor Pisano received a BS from the University of Santa Clara, an AB from San Jose State and an AB and ME in agriculture education from the University of California at Davis. He is affiliated with Theta Chi fraternity, Alpha Phi Omega, national service fraternity, and Phi Delta Kappa, honorary educational fraternity.

The young couple will continue teaching at State.

Spartans Tell Of Future Wedding Plans

Scarlazzari-Cligny

Alice Scarlazzari revealed her engagement to Charles "Bud" Cligny Jr. at a summer dinner party in her San Jose home.

Miss Scarlazzari is kindergarten primary major. Her fiancé, now a member of the United States Air Force, attended State. He was affiliated with Delta Upsilon.

Booker-Petty

Marilyn Veryl Booker and Marilyn Richard Petty told of winter wedding plans recently. Miss Booker has attended State the past three years. Her fiancé attended Pennsylvania schools and is now stationed at Moffett Field with the United States Navy.

Pahl-Ramirez

Planning an October wedding are Lorraine Pahl and Lt. Willard Ramirez. Miss Pahl was graduated from Washington Square and is now an assistant buyer at the Emporium in San Francisco. Her fiancé is also a graduate of State. He is stationed with the military police battalion in the San Francisco Presidio.

Hengstebeck-Swickard

Tiny scrolls with their names inscribed in small letters revealed the engagement of Margaret Hengstebeck to Jack Swickard. The bride-elect was graduated from State in June. Her fiancé is studying at California Polytechnic college in San Luis Obispo. The couple have not set a date for the wedding.

Letters Help New Students Feel At Home

Associated Women Students is sponsoring a Big, Little Sister program to make all new San Jose State girls feel at home. "Over 350 upper classmen have taken the names of girls entering the college this quarter and have written them, a friendly letter helping them to get acquainted here," according to Sallee Lotz, Big, Little Sister chairman.

One thousand freshman girls and transfer students will receive letters, but there are some girls that applied too late for entrance to be given "big sisters," Miss Lotz said. All new girls that do not have "big sisters" and girls that have not heard from their "big sisters" should sign up in the AWS lounge, she explained.

Open to all women students, AWS meets every Wednesday at 4:30 p.m. in Room 24. Executive officers for this all-women's organization are Carol Larson, president; Pat Engerud, first vice-president, and Sallee Lotz, second vice-president, Pat Berryessa, secretary, and Colleen Collins, treasurer.

Students of Sparta Repeat Vows in Summer Ceremonies

Azzarello-Vatuone

Robert Vatuone claimed Anna-mae Azzarello as his bride in summer rites at St. Leo's church. Nuptial mass was performed by the Rev. Joseph I. Manning.

Matron of honor was Mrs. Edward Lazzarini. Bridesmaids were the Misses Barbara Azzarello, sister of the bride; Genevieve Biazzi and Pat Villa, cousins of the bride, and Loretta Thureson.

Best man was Edward Lazzarini. Ushers were Vince Tedesco, Disano Denegri, cousin of the bride; Jim Azzarello, cousin of the bride and Robert Rankin.

A reception followed the ceremony at the Hawaiian Gardens. The couple made a wedding tour of Lake Tahoe and are now making their home in Santa Clara.

The new Mrs. Vatuone is the daughter of Mr. and Mrs. August E. Azzarello of San Jose. A graduate of Lincoln high school and San Jose State college, she is teaching at the Cupertino school.

Her husband is the son of Mrs. Minnie Vatuone and the late R. E. Vatuone. He was graduated from the University of Santa Clara and is now a senior law student at the university's graduate law school.

Citti-Gori

Edna Citti became the bride of Phillip J. Gori Jr., USN, in a summer ceremony at Sainte Clara's church of Santa Clara. The Rev. N. D. Magginnis officiated.

The couple made a wedding tour of Carmel and Pebble Beach. Gori's home is Cleveland, Ohio. His four years of naval service terminates this month and he will be employed with the NACA at Moffett Field.

The new Mrs. Gori plans to continue working toward her A.B. degree in dramatics here.

Kelly-Hopkins

A July wedding in the College Memorial Chapel united Diane Kelly and Ira Jay Hopkins Jr., in marriage. Bishop Lund Johnson performed the ceremony.

The new Mrs. Hopkins is the daughter of Mr. and Mrs. Reginald W. Kelly of Hayward. Hopkins is the son of Dr. and Mrs. Ira Jay Hopkins of Mountain View.

Villa Montalvo was the reception site where the couple greeted 250 guests. As the bride cut her cake, her Sigma Kappa sorority sisters and the bridegroom's Sigma Chi fraternity brothers serenaded the pair with sweetheart songs.

Mrs. Hopkins is in her senior year at San Jose State. Hopkins was graduated from State and has been an assistant buyer for Westinghouse in Sunnyvale. He is now being recalled to active duty with the United States Navy.

Students Save 25%. Buy Texts Before Before Class Meets

Savings of 25 per cent, plus one-trip buying convenience, are realized by a growing number of students who have learned California Book Company's course-requirement lists make it unnecessary for them to attend classes before getting their needs.

By coming in immediately after registering, they have the best chances of obtaining used texts before they are all sold. California Book Company, through its contacts with all the nation's other college stores, obtains fine second-hand copies of many texts never used on this campus before.

To protect students who drop or change courses, CalBook gives full refunds for the first 10 days of each term. So wise students have nothing to lose and everything to gain: "Come early, hand a clerk your Reg-Card and save money, get everything in one trip, avoid the class-day crowded rush," CalBook urges.

Many courses do not require texts or supplies, and the CalBook lists state so. Moreover, additional savings of from 25 to 50 per cent can be realized by selling texts back to CalBook at the close of the term.

(Advertisement)

Barghini-Lowe

Frieda Barghini and Robert Leonard Lowe repeated wedding vows with the Rev. John F. O'Beirne at the altar of the Holy Cross church this summer.

The new Mrs. Lowe was graduated from San Jose High school where she was affiliated with Torch and Laurel, Quill and Scroll and Sons and Daughters of Italy in America.

Her husband was graduated from Los Gatos high school and attended San Jose State college. He was affiliated with Delta Upsilon fraternity.

Gillette-Mansfield

The First Presbyterian church of Monterey was the setting for nuptial rites which united Joyce Gillette of Pebble Beach and Cecil Mansfield of San Jose in marriage this summer.

The new Mrs. Mansfield attended Monterey schools and Peninsula college. She is attending San Jose State college and will do her student teaching in San Jose this quarter.

Mansfield was graduated from State in June. He was a member of Alpha Tau Omega fraternity. He now has a position with the San Jose School department teaching at the Benjamin Cory school.

Jensen-Ahlem

Friends of Anne Jensen and Lloyd Ahlem learned of the couple's engagement this summer. Miss Jensen is a liberal arts major at San Jose State college and the daughter of Dr. and Mrs. Harry Jensen of San Jose. Dr. Jensen is a professor of education at San Jose State.

Ahlem is the son of Mr. and Mrs. H. E. Ahlem of Turlock. He was graduated from San Jose State with a major in psychology and is now employed with the Allied Equipment company of Fresno. No date has been set for the wedding.

Kappa Tau Has New Location On S. Sixth

Members of Kappa Tau are boasting of their new fraternity house at 374 S. Sixth street. They are busily redecorating the house which is now the closest fraternity house to the campus, according to Jim Nash, Kappa Tau publicity chairman.

The 14-room house has a large dining and recreational area which is being decorated in a pastel yellow color scheme. The large living room and study-trophy room are being decorated with peach and brown wall paper. All redecorating is being done by Kappa Tau members, with art majors supervising the color scheme. Art majors also are in charge of obtaining furniture for the fraternity's new home.

Kappa Tau, the newest social fraternity on campus, was incorporated during the middle part of last year with 12 charter members. When school closed in June they had increased their membership to 42. The former Kappa Tau house was located at 470 S. 11th street.

Kappa Tau officers are Herman Smith, president; Roy Hodges, vice-president; Len Marks, treasurer; John Sereda, secretary; Russ Utley, house manager; Tony Russo, sergeant-at-arms; Pete Thompson, social chairman; and Jack Scheberies, alumni chairman.

Since their incorporation last year, Kappa Tau fraternity members have sponsored a cake sale and have held the Black and White Fantasy. They plan to hold an open house on completion of their redecorating.

Activities Night Is Held

New students were honored Wednesday evening with a fun packed Activities Night sponsored by the Social Affairs committee. Over 600 freshman and transfer students enjoyed the bean feed which began the activities at the college, according to Nancy Appleby, Social Affairs committee spokesman.

Following dinner, the new Spartans gave lusty yells led by San Jose State cheer leaders. Several rounds of fun songs and college

songs were sung, and the evening was concluded with folk and social dancing.

In charge of the affair was Marilyn Lind, Social Affairs committee held. Members of Social Affairs committee, Black Masque, AWS, AMS, and the Rally committee helped with arrangements and serving.

The Social Affairs committee meets once a week in the Student Union.

Dr. Wahlquist Promises 'No Radical Changes' in Policy

"More yeses than noes" will be the policy of Dr. John T. Wahlquist, the college's new president.

Promising the student body "no radical changes or innovations in administrative policy" when he arrived on campus July 1, he added at a student meeting that he hoped to "have his foot on the gas more often than on the brake."

The former dean of the College of Education of the University of Utah took over the SJS executive office August 1, following the retirement of Dr. T. W. MacQuarrie.

During his introductory address to the summer session student body he expressed shock at overcrowding, and added that he was "amazed at the curricular offerings of the college and the functional manner in which they are given."

In explaining his campus policy he told the students that he was not a reformer or a pragmatist but a gradualist.

He summed up his policy with "My impression after extensive investigation is that San Jose State college is an institution of good standing and there is need for immediate or radical change."

In an interview with Summer-time, summer session student newspaper, the campus' highest executive expressed his opinion that "student body and other campus activities are part of the education of every student and, certainly should be encouraged."

Dr. Wahlquist backed up his statement at the student assembly when he assured Tom Evans, stu-

dent body president, "The students will find a friend in the president's office."

The author of two textbooks on education, he emphasized that he does not intend to usurp any functions of the administrative officers and that he does intend to exchange views with deans, department heads and student leaders.

President Emeritus Dr. MacQuarrie promised Spartans in his last "Just Among Ourselves" column to "see you occasionally." Dr. MacQuarrie acted as college president for 25 years.

Dr. Wahlquist's appointment as president was announced in April by the State Board of Education.

Students may hear recordings of the new president's address by contacting Dr. Richard B. Lewis, audio-visual division co-ordinator.

Dr. Wahlquist will return from a two day session of California state college presidents at Sacramento for registration. At the meeting he will discuss current college problems with Dr. Roy E. Simpson, state superintendent of public instruction and Dr. J. Burton Vasche, associate superintendent.

Announce New AFROTC Head

Col. Richards M. Bristol, a graduate of West Point, arrived on campus recently to take over his new assignment as head of the division of Air Science and Tactics of the Air Force ROTC at the college.

Colonel Bristol replaces Lt. Col. Howard E. Brown, who completed his tour of duty at the college and was reassigned to the Air Command and Staff school at Maxwell Air Force base, Alabama.

From 1944 to 1946, he served as Deputy Chief of the Strategic Plans division of Operations and Headquarters of the Army Air corps. During that same period, he was one of four Air corps men on the Joint War Plans committee of the Joint Chiefs of Staff.

Colonel Bristol was Chief of Staff of the 12th Air Force from 1947 to 1950, and then was appointed Vice-commander of the First Air Force at Mitchell field, New York.

A New Dean for SJS

Dr. Fred F. Harclerod, chairman of the division of education at San Diego State college, has been appointed Dean of Instruction of the college to succeed Dr. Jay C. Elder, who resigned last June. The new dean will take over officially Nov. 1.

Dr. Harclerod will be responsible for working out details of the separation of the Junior College from SJS, scheduled for June, 1953, and with supervision of the curriculums in general education.

He is a graduate of Colorado State college of Education where he received his A.B. and M.A. degrees, and Stanford university, where he obtained his Ph.D. degree in 1948.

When the United States Military Academy opened at West Point in 1802, it had an enrollment of 12 cadets. In 1952, the academy is celebrating its sesquicentennial with a corps numbering 200 times that many.

Dr. Kibby Chosen Soc. Science Head

Dr. Leo P. Kibby, professor of history and political science, has been appointed acting chairman of the division of social science at the college, succeeding William H. Poytress, who relinquished the chairmanship of the division.

Dr. Poytress will continue on the faculty as professor of economics.

Dr. Kibby's appointment was announced recently by Dr. John T. Wahlquist, president of the college.

Dr. Kibby has been a member of the college faculty since 1946. He is a graduate of Sanger Union High School and Stanford University, where he earned his A.B. degree in 1929.

He also holds an M.A. degree obtained at New Mexico State Teachers College in 1933 and a Ph.D. degree, received at the University of Southern California in 1942.

Before joining the faculty at San Jose, Dr. Kibby was with the U.S. Navy for four years.

Powerful Colorado Bests Golden Raiders in Opener

By BILL TUNNELL

Coach Bob Bronzan's scrappy Spartans almost turned the trick on a powerful University of Colorado eleven, Saturday in Boulder, Colo., before going down to defeat 20-14. Numerous crucial penalties and a fumble cost the Golden Raiders a victory over the mighty Buffaloes, who are favored to finish high in the tough Big Seven Conference.

The Spartans scored first when on the first play of their second series of downs, Dick Stults, star fullback for the local eleven, broke off tackle, picked up a fine block from End Bob Amaral and went 79 yards for a score. This is the Spartans' "bread and butter" play and in this instance developed so quickly that it caught the Buff defense flat-footed.

The Buffaloes were still trailing 7-6 at the end of the first quarter after a roughing-the-kicker penalty was inflicted on the Golden Raiders which set up the Colorado score.

The penalty, which occurred near midfield, set the Buffs up in business on the 40-yard line. They went on to score eight plays later, mainly through the hard-running of their All-American fullback candidate, Carroll Hardy.

Colorado then moved ahead 20-7, but the Spartans came right back to cause the partisan crowd of 19,998 many anxious moments.

All-Coast candidate Lynn Aplanalp, quarterbacked the Spar-

tans 91 yards in the third quarter with Stults going over from the four to make the score read 20-14 after George Porter, who played most of the game at the tackle for the locals, booted his second extra point. This drive was kept alive when Aplanalp passed 41 yards to Amaral.

The costly fumble occurred early in the fourth quarter. The Spartans' Joe Muldowney had recovered a Colorado fumble on the 34-yard line. Aplanalp passed 36 yards to End Stan Wacholz on the first down. Stults then carried the ball down to the three on a series of plays, and it was from there on fourth down that Aplanalp sent a swing pass out to Halfback Bill Walker. Walker gathered in the pass but as he was crossing the goal line was hit hard by a Buff defender and fumbled. Colorado recovered in the end zone for a touchback instead of the Spartans' tying points.

Another Golden Raider scoring threat was ended with a fumble late in the game. With 1:20 left to play, the Spartans' Jerry Mikacick recovered a Buff fumble on the 39. Aplanalp passed to Wacholz for 24, but with a first down on the 15 the Spartans fumbled. Colorado recovered and ran out the clock.

Stults was the workhorse for the Spartan cause, turning in 177 yards rushing. He led the Coast in rushing, beating the University of California's Johnny Olszewski

by 55 yards. His 79-yard jaunt was the longest run of the game, besting Colorado's Frank Bernardi, who returned a punt 63 yards for a touchdown.

Two goal line stands were put on by the Spartans and another time a pass interception in the end zone by Jerry Hamilton ended a Buff threat. Colorado was halted on the six-yard line in the second period and again on the six-inch line at the start of the fourth quarter.

A good scouting job by Coach Bronzan and his staff, plus the fine defensive play of Hamilton, John Hamber, Mikacick, Muldowney and Amaral kept the Buffs in check most of the afternoon except for wide end sweeps by the speedy Hardy.

"Our loss this afternoon to the University of Colorado was one of those things where a coach can be nearly satisfied about everything but victory," said Coach Bronzan after the game.

"The way we came back in the second half is a good omen for the rest of the season. Our boys gave away much in experience and physical attribute. Yet they outplayed Colorado in the second half and came very close to pulling it out of the fire. As I said at the beginning we didn't lose anything but the game."

Cal and Korea Vets Find Used Textbooks Assist Budgets

More than ever before, now that they must pay cash for books and supplies, veterans under the California State and Korea Veterans are realizing that California Book Company is synonymous with the secondhand textbooks that stretch their budget dollars.

CalBook each term scours the country's college bookstores for secondhand texts, especially those never before used on this campus, for the benefit of students with limited finances, who now include Cal and Korea Vets despite increases in their subsistence.

To assure themselves of getting used texts, slide rules, drawing sets and many similar supplies, students must go to CalBook as soon as they've registered, for secondhand items sell out rapidly.

At CalBook they need only to hand a clerk their registration cards, specifying that they want used books wherever possible, and the clerk, by referring to course requirement lists, will obtain all their needs for the term at one time.

Full refunds are given by CalBook on all purchases for the first 10 days of each term to protect students who drop or change courses.

Council To Set Sports Action

Future of the local Intramural activities program is still a question mark after the Student Council tabled the question in their last regular meeting of the spring quarter June 4, 1952.

The Student Council record on that date read that, "due to the inability to agree on any motions for the possibility of transferring direction of the intramural program from the Men's P. E. department to the AMS, the council decided to postpone the question until the second regular council meeting of the fall quarter."

Two motions, both of which failed to get a second, were presented but were not voted upon. The first proposed that intramural sports be under AMS control and the second recommended that the program remain under the P.E. department's jurisdiction.

Adkins First Spartan To Win Olympic Title

Charles (Chuck) Adkins became the first and only Spartan ever to win a gold medal in the Olympic Games, when he boxed his way to the light-welterweight title for the U.S. team in Helsinki this summer.

Adkins, who was the 1952 NCAA titlist at 139 pounds, fought his way from an alternates role on the team to take top honors. He was beaten in the Olympic trials in Chicago, when, as he put it, "I just couldn't get everything working together that night."

He later beat the first place winner, Joseph Reynolds when the Olympic coaches decided to hold trials in Helsinki to see who would start. Judges from Canada, Ireland and England refereed the bout and picked Adkins as the winner.

Adkins capped his fistic adventure by outpunching Russia's Viktor Mednov in the final bout, to become the world's best amateur boxer of his weight division.

When asked which was his toughest fight of the Olympics, Adkins said, "I couldn't pick out just one, they were all pretty rugged, but I guess the Russian was one of the top men I met."

Adkins has returned to the local

campus from his hometown of Gary, Indiana, and will register today and tomorrow along with the rest of the Spartan students.

He doesn't know how the new Pacific Coast Conference ruling will effect his status as a Spartan boxer. The new rule states that if a boxer has any bouts outside a high school or college ring before reaching the age of 18, the boxer will be declared ineligible. Adkins fought several bouts at the age of 17 under the auspices of the AAU.

The ruling is still a question mark as far as the Spartans are concerned although they have already scheduled PCC foes for the coming season.

Plans are underway to honor Adkins with a parade and numerous awards by the campus Rally committee and the local Chamber of Commerce. Tentative plans call for the celebration to be Wednesday, according to Chuck Wing, chairman of the Rally group.

Adkins, who says he has been attending banquets regularly since acquiring the title, has been the recipient of five gold watches thus far, the latest given to him by Mayor Elmer Robinson of San Francisco.

Locals Second in Nation

Four members of Coach Bud Winter's 1952 track team came through as expected in the National Collegiate track and field finals which were held in Berkeley June 10, and grabbed off a second spot for the Spartan cause.

Bob McMullen, great distance star, copped a first place in the 3000-meter steeplechase for one of the two Golden Raider first

places. McMullen later finished first in the National AAU finals in Long Beach, but was edged out in the Olympic finals in Los Angeles when he finished fourth.

Bill Priddy, pole vault ace, took the second blue ribbon in the NC-AA, finishing in a five-way tie for top honors.

Paul Jennings helped the Spartans beat all other teams in the

nation except the University of Southern California when he took a third spot in the steeplechase.

Herman Wyatt finished the scoring with a fourth place tie in the high jump. Wyatt, a candidate for the Olympics, had a top height of 6'8" early last season, but was hampered later with a bruised heel and couldn't make the U.S. squad.

Bellarmino's Baldocchi To Romp for Cuffe's Frosh Footballers This Fall

Frosh Football Coach Tom Cuffe expects several of the Bay Area's top prep stars to turn out for the 1952 edition of the Spartababes when practice gets under way Wednesday.

Heading the list of bright prospects is Bellarmine high's Jim Baldocchi, a talented southpaw quarterback. Another Bell standout utility back, Don Bertando, will

also be cavorting in State spangles this fall.

Coach Cuffe plans to hold a chalk talk tomorrow afternoon with workouts beginning the following day. The opening tilt for the frosh will be against the College of Pacific here Oct. 17.

Gibby Mendonsa and Archie Chagonjian will assist in the coaching duties for the Spartababes.

How the Flying Tigers got over the Hump

2. As we told you then, the veterans pooled all their savings but they still needed additional capital to launch their project. Several Los Angeles businessmen offered to furnish this capital on a 50-50 basis—the veterans to operate the company. This capital enabled them to start operations on June 25, 1945, with 8 war surplus Conestoga cargo planes.

1. In November, 1945, we told the story, in this series, of 12 India-China "hump" flyers from the American Volunteer Group who came home from the war and started an air freight business. They called their company The Flying Tiger Line Inc.

5. The company has used Union Oil aviation products since it began operations in 1945. But that doesn't seem nearly as important to us as the fact that the men were able to accomplish these things. It could hardly have happened under anything but the American profit and loss system.

3. Over the last seven years the company's growth has been spectacular. Their fleet of planes has grown from 8 to 39. In 1949 they received the first certificate to fly U.S. Air Freight Route 100. And they now operate daily transcontinental schedules to 43 cities, in addition to world-wide contract and charter services. The company has now contracted for seven new DC-6A's—the largest order ever placed for cargo planes.

4. Last year their fleet earned a total revenue of \$15½ million compared to \$458 thousand the first year. In 1951 their planes flew a total of over 13½ million miles compared to ½ million miles the first year. Today The Flying Tiger Line Inc., is the world's largest certificated freight and contract air carrier.

6. For without the profit incentive the businessmen wouldn't have put up the capital to start the business in the first place. Without the hope of gaining financial independence, the veterans wouldn't have had the incentive to sweat out the problems of starting the company and developing it. Altogether, we think it's a wonderful example of the advantages of our American free enterprise system over others.

UNION OIL COMPANY
OF CALIFORNIA
INCORPORATED IN CALIFORNIA, OCTOBER 17, 1890

This series, sponsored by the people of Union Oil Company, is dedicated to a discussion of how and why American business functions. Hartranft Heads Advisory Group

Formation of a Committee on Athletics, an ex-officio group which will help determine major policies of the Spartan athletic program, was announced by Dr. John T. Wahlquist shortly after he assumed office as president of San Jose State, August 1.

It was emphasized by Dr. Wahlquist that this is an advisory group and the responsibility for decisions would remain in the hands of the president, the physical education department head and the athletic director.

Dr. Wahlquist said there is a two-fold purpose for the committee:

(1) All those who have a legitimate interest in the welfare of the college and the athletic program will have at least an advisory part in determining athletic policies, for the committee will have representation from every phase of the college community.

(2) The president and athletic department administrators can benefit from the advice of the committee to make a reliable search of all aspects of any particular policy in light of its effect on the entire campus.

S. Glenn (Tiny) Hartranft, head of the Spartan Physical Education department, will be chairman of

the committee which also will include President Wahlquist; Bill Hubbard, athletic director; James C. DeVoss, executive dean; Joe H. West, dean of students; Stanley C. Benz, dean of men; Edward S.

"TINY" HARTRANFT
... PE Director

Thompson, business manager; William Feise, graduate manager of student activities; Thomas Evans, student body president; Emerson Arends, president of the Spartan Alumni association; and a faculty member to be chosen by the Faculty Council.

Local Five Joins New Conference

Spartan basketballers will find themselves playing conference opponents this season in the newly formed California Intercollegiate Basketball association, according to Coach Walt McPherson, local basketball mentor.

Five teams will comprise the CIBA for the starting season, with possibly three or four more teams to be added at a future date. University of San Francisco, St. Mary's, College of Pacific, Santa Clara and the Spartans will initiate the league. Possible future additions according to Coach McPherson could be Loyola and San Francisco State.

This same league was disbanded after a run of two years in 1938.

The CIBA will function the first year as a loosely formed group without rules or regulations being drawn up, but will instead follow the rulings which govern the Pacific Coast Conference basketball league.

After successful seasons last year and with very few losses through graduation, Santa Clara and the University of San Francisco are rated as favorites to cop the new league title.

What he hears at the office is news. What she hears at the bridge table is gossip.

HOFFMAN'S SWEATER SHOP

Your Headquarters for SWEATERS 'N SKIRTS

SWEATERS Hoffman's have every wanted style in Lamb's Wool, Imported Zephyrs, Cashmere, etc. . . . in every color, new geometrics, stripes, etc.

CHESTERFIELD FIRST PREMIUM QUALITY CIGARETTE TO OFFER BOTH REGULAR & KING-SIZE

BOTH regular and king-size Chesterfields are premium quality cigarettes and come in the smart white pack.

BOTH contain only those proven ingredients that make Chesterfields the best possible smoke: the world's best tobaccos, pure, more costly moistening agents (to keep them tasty and fresh), the best cigarette paper that money can buy — nothing else.

BOTH are much milder with an extraordinarily good taste and, from the report of a well-known research organization — no unpleasant after-taste.

BOTH are exactly the same in all respects. There is absolutely no difference except that king-size Chesterfield is larger — contains considerably more of the same tobaccos — enough more to give you a 21% longer smoke, yet costs little more.
